You understand the material world; you intuitively know what makes virtually any enterprise work. Your talent lies not with the bookkeeping or petty management, but with the greater vision, its purpose, and long range goals.

You are a visionary and a bit reckless. You possess the ability to inspire people to join you in your quest, but often they are incapable of seeing what you see. Therefore, those around you need your continual guidance, inspiration, and encouragement. You must prod them into action and direct them along the lines of your vision.

You attract financial success more than any other Life Path, but effort is required.

Partner A, your challenge in life is to achieve a high degree of detachment, to understand that power and influence must be used for the benefit of mankind. Those born with the Number 8 Life Path, who do not understand the real and relative value of money are bound to suffer the consequences of greed; they run the risk of losing it all!

You must learn to bounce back from failures and defeats. You have the character and resilience of a true survivor. It is not uncommon for a person with your Life Path to experience major reverses, including bankruptcies, financial failure, but you also have the talent and the sheer guts to make more than one fortune, and build many successful enterprises. More than most people, your failures in marriage can be extremely expensive for you.

Despite the difficulties that life presents, you will experience the satisfaction that comes from material wealth and the power that comes with it.

Business, finance, real estate, law, science (particularly history, archeology, and physics), publishing, and the management of large institutions are among the vocational fields that suit you best. You are naturally attracted to positions of influence and leadership -- Politics, social work, and teaching are among the many other areas where your abilities can shine.

You are a good judge of character, which aids you well in attracting the right people to you.

Most 8s like large families and sometimes tend to keep others dependent longer than necessary. Although jovial in nature you are not demonstrative in showing your love and affection.

The desire for luxury and comfort is especially strong in you. Status is very important. You must be careful to avoid living above your means.

Partner A, your Life Path treads that dangerous ground where power lies -- and can corrupt. You may become too self important, arrogant, and domineering, thinking that your way is the only way. This leads inevitably to isolation and conflict. The people you run the risk of hurting most are those you love, your family and friends.

Be careful of becoming stubborn, intolerant, overbearing, and impatient. These characteristics may be born early in the life of an 8 Life Path, who often learn these negative traits after suffering under a tyrannical parent or a family burdened by repressive religious or intellectual dogmas.

Partner B, your Life Path is 10/1

Partner B, you are a born leader. You insist on your right to make up your own mind; you demand freedom of thought and action. You have drive and determination. You don't let anything or anyone stand in your way once you are committed to your goal. You assume the responsibility to be the protector and provider for those you love. You demand respect and attention and become irritated and even domineering when important things do not go your way.

You need to feel in command of important undertakings, and resist supportive roles. You seek the forefront and the limelight.

You are exceptionally creative and original and possess a touch of the unusual. Your approach to problems is unique and you have the courage to wander from the beaten path. You can be impatient with your shortcomings and those of others. You are very concerned with your status and foster the appearance of success and self-satisfaction. The need to appear well off propels you to strive for growth, success and the finer things of life.

Partner B, you should watch out for selfishness, conceit and the over-concern with appearance. You must guard against overzealous behavior, anger and aggressiveness. If these qualities are not brought under control you could become excessively domineering, vindictive and even violent. You perform best when you are left to your own devices. Ideally you should own your own business and be your own boss. Hold fast to your life's dream and work with the determination you possess to realize it. You can become overly stressed by your driven nature. Be careful about the food you eat and maintain an exercise program you enjoy. Competition sports are often a healthy outlet for a person with your drive, particularly sports involving running and swimming.

Don't let pride and overconfidence be your masters. Remember, your talents and abilities are a gift from a higher source, which should promote gratitude and humility, rather than pride and conceit.

More often than not a person with a 1 Life Path will achieve much in life as long as the drive, creativity, originality and pioneering spirit are fully employed!

Your Life Path's compatibility is 8 and 1

Your respective Life Path numbers make you two strong-willed but at the same time, somewhat stubborn people. Often, when you are both around, it is like having two captains on a ship - your conflicting orders can lead to explosive arguments, which, in turn, may lead to uneasiness, discomfort and even distress. Therefore, willingness to compromise is very important in your relationship, otherwise small arguments can be blown out of proportion.

Partner A has a remarkable talent for managing financial matters. Therefore, Partner A should be the one controlling the money. You both have good business instincts, which could result in very successful shared endeavors. Should you decide to go that way, make sure you keep each other's duties and responsibilities carefully separated so as to avoid any type of personality conflicts. Whatever your decision may be, it is important that you have faith in each other's abilities and act independently. However, since both of you like to do things your own way and neither of you is good at delegating, you should be aware that this will not be an easy task to be accomplished. Neither one of you accepts anything less than full respect and an equal playing field. Similarly, neither one of you can be dominated or would accept being someone's sidekick.

http://www.mybirthsecrets.com/Disclaimer_and_Statement_of_Purpose.html

Numerology & Success Principles--Research | Consultation | Teaching

However, while Partner A understands the material world and needs to see material results and rewards, Partner B is more attached to the satisfaction that comes from knowing you did a good job.

Although you may have your differences, it is important that both of you understand that you have a lot in common as well. The one and the eight are very compatible numbers and you will find you have many interests in common - many more than you thought. Another positive aspect in your relationship is that you love to share your experiences, and sharing experiences has, most of the times, proved to be quite enriching. But the fact that you are both more sensitive behind that strong and independent facade than you let on opens the door to possible hurtful comments and increases the danger of doing each other, in the heat of an argument, more damage than either of you realizes. Therefore, always keep in mind that the keywords to this relationship are compromise and communication. If you are both able to compromise and communicate in your day-to-day life, you will also be able to enjoy a pleasant, rewarding and happy relationship, taking advantage of the many interests you have in common.

Partner A, your Expression is 18/9

Partner A, you are the humanitarian. You are attracted to a cause or a movement whose purpose is to make a better world. You are extremely idealistic, sometimes to the point of being naive about people or methods. You have great compassion and seek to create a more humane society. You are drawn to those who suffer physically or are at the hand of injustice. You are the righter of wrongs. Your deepest intention is to transform the world.

You are willing to sacrifice in order to advance your cause. Indeed, this seems to be a theme in your life.

From time to time, you find yourself involved in a project whose very life depends upon your willingness to sacrifice something that relates directly to your ego.

You are highly idealistic. You are also a visionary, with the ability to influence and direct the masses. Deep inside, you long for the love and approval of the many, and seek fame. Part of your hunger for fame has to do with your need for validation; you are your own harshest critic. Partner A , you realize your greatest satisfaction when you are involved in some activity that directly benefits the public good. Politics, law, protection of the environment, teaching, and healing are areas in which you would succeed.

Openness to too many peripheral influences limits and frustrates you. You are self-reliant, confident, and energetic.

You possess executive abilities and are most successful at owning or independently managing a business. You need the freedom to make your own decisions, based on your own ideas. You can be an astute politician. You also possess the ability to influence the opinions of your milieu.

The number 1 symbolizes the front-runner, pioneer, warrior, risk-taker, and daredevil. Generals, top politicians, successful businessmen, self-made millionaires, religious leaders, inventors, activists, and avant-garde artists are often born with a 1 Expression.

Strength and perseverance are central to your success. You must be willing to travel the frontiers of life, away from the beaten path. You possess a great reserve of willpower that must be directed at your goals. You do not give up, but relentlessly pursue your aims.

Partner B, you are quite opinionated. People tend to be inspired or repelled by your strong personality. You have great powers of concentration and the ability to visualize your goals, thus making them more attainable.

You stand up for your convictions and hold your ground. All of these abilities enhance your chances of success in life.

There is a tendency to be self-centered. You can be domineering and, in the extreme, a bully. You can be highly critical of others, complaining that people lack the industry or determination you possess. But this lack of understanding can alienate friends and family members from you. You must learn to control this tendency to maintain harmony in relationships.

Once you are convinced of the inherent correctness of your ideas, you stubbornly -- and sometimes rigidly -- defend and propagate them.

Avoid obstinacy and antagonism. You must cultivate balance, compassion, and perseverance. You easily assume the role of protector. You spring into action when leadership is needed.

Pride can be your downfall. You so powerfully identify with your goals and ambitions that you sometimes refuse to see a potential flaw or weakness in your well-laid plans.

Partner B, you possess strength and determination, which, when applied to any endeavor you are committed to, will lead you to great success in life.

Your Expression's compatibility is 9 and 1

More than any other number in your chart, your Expression number reflects who you are as a person. Your Expression number on the other hand, reflects a deeper part of you. It is more difficult to overcome possible negative traits you may have recognized in yourself when they are found in this part of the chart, than when they are found under the Life Path description.

It can't be emphasized too much how important it is to realize that numbers in different areas of the chart affect you differently, even when it is the same number. Sometimes, you may read something that seems to directly contradict earlier statements. Yet, if you take the time to think about them carefully, you will probably recognize that you, as a human being, are extremely complex and full of the same contradictions. This is simply the way we are. You may be organized in one area of your life, while chaos rules in another area. You may be tactful and sensitive in one setting, and direct and confrontational in another situation.

Due to the fact that **both of you have a tendency towards arrogance as well as to being somewhat egocentric.** It will only work **if a certain amount of distance is maintained.** Each of you has to live your own life. Ironically, although difficult, this is not a bad combination for business relationships, often work very well with this

combination. Precisely because the numbers stand on opposite ends of the spectrum. They complement and balance each other. Together, they represent a lot of talents and useful qualities that ensure a powerful combination in most relationships, except in romance.

When there is a mutual understanding between the two and each person does not get in other partner's way, does not expect the other partner to always be there for you, and certainly not to expect your partner to live the kind of life you feel is right.

This combination has a much better chance of surviving if Partner B and Partner A have the number two and/or six among their other core numbers.

The numbers one and nine are far apart and this is reflected in Partner B and Partner A's understanding of each other. In many areas of life you are so different that you can't even relate to the other person's view.

However, you probably dress very differently, have very different tastes, and consider different things important. Chances are that you are each other's polar opposite. And, while we say that opposites attract, the trouble is that they also tend to push each other away when they get too close.

There are no easy solutions or foolproof guidelines that work here. If you have been together for a while and your mutual respect is strong, this respect will keep you together. Don't expect to change or influence your partner.

Partner A and Partner B, your Heart's Desire is 18/9

Partner A and Partner B, you both have the same number in this part of the chart. The following text therefore applies to both of you.

Partner A, you want to be of service to the world. Your deepest satisfaction comes from knowing that you have advanced the cause of humanity.

Your ideals are of the highest order. You are a perfectionist. You strive to make the world a utopia; to make each person's lot in life better; to become perfect yourself. One of your challenges in life is to strive toward your lofty goals and at the same time recognize the good you are doing.

You like and are fascinated by people from all walks of life. Human nature is a lifelong study for you. You are highly intuitive, but not an especially good judge of character. You are a bit naive, as well, thinking perhaps that all people have the same values as you.

You dream of having the resources to immediately relieve the suffering of others, whether it is economic, physical, or psychological.

You are gifted with a good mind and a great deal of wisdom, which makes you a natural teacher, counselor, or healer.

As much as you desire to be of service to others, you also crave fame and the approval of the masses. Much of the energy you expend in life is directed toward putting yourself before an audience, most often as a salesperson whose product provides some social good; as a philanthropist; or an artist.

Partner A, you are attracted to the arts as a vocation, especially as an actor, photographer, or writer. But whatever your profession, any involvement in the arts, even as a hobby, will provide you with a deep and lasting satisfaction.

Secretly, you dream of having a big impact on the world. Others may see this as egotism, especially when you are still young. But your concern for others is genuine. You must apply yourself in this direction in order to become psychologically whole and personally satisfied.

Your vision is on the crowds of people, which can cause you to overlook the needs of those closest to you. You need personal love as well, but have a tendency

to put your needs in the background. Still, you are a loving person, and only need to be reminded to direct and demonstrate that love to those nearby. If, however, you are focused exclusively on the masses, people will perceive you as distant and a bit aloof.

You are emotional, and sensitive. You can also be moody and critical. You have high expectations for yourself and others. This can cause you much anger when your expectations are unfulfilled. One of your most important life lessons is to forgive.

Because you are striving hard to attain high ideals, you may think of yourself as superior to others.

Arrogance is a trap many 9s fall into. The danger is that arrogance cuts you off from the thing you love the most: people.

Partner A, your happiness and contentment are therefore highly dependent on the ease with which you are able to serve and influence mankind.

It is the paradox of your Heart's Desire that you receive by giving. Both your material success and spiritual satisfaction are made possible through service and sacrifice to others.

Your Heart's Desire's compatibility is 9

Compatibility of the Heart's Desire numbers is very important in a relationship - few relationships last beyond the initial stage if the Heart's Desire numbers are not compatible.

Partner A and Partner B, this combination often creates a partnership that goes well beyond romance. Both idealists, you are sufficiently focused and have enough clarity of purpose to devote your life to a single goal, paying little or no attention to the monetary aspect. Contrary to what one might expect, this often results in financial prosperity, albeit not until somewhat later in life.

Most likely, Partner A and Partner B, recognition of similar souls was responsible for the initial attraction between you. Endless conversations that were mutually inspiring helped you realize that your dreams were attainable and that you needed and wanted the company of each other. The bond is strong and will not weaken over time, since you thrive on each other's experiences. The compatibility is powerful and strengthens each of you as individuals.

You may find yourselves choosing almost identical careers, perhaps even within the same organization or institution. All these similarities make others see you as

Numerology & Success Principles--Research | Consultation | Teaching

an unbreakable couple, the kind of bond that often exists between brothers and sisters.

However, some pitfalls may exist, even in this extremely compatible combination.

Partner A and Partner B, in extreme cases, the number nine shows a tendency to believe in ideals to such an extent that it turns into an obsession. Self-righteousness, narrow-minded moral values, and religious fanaticism are not uncommon, nor are arrogance, pride, and a superficial confidence. That explains the fact that the number nine is often found among political and religious extremists. Excessive belief in your ideals may cause problems to your relationship. It is important for both of you to remain open to other people's ideas, to respect their different opinions, and to remain humble within yourselves.

Partner A and Partner B, the only real danger in a relationship between the nine's found in this part of the chart appears when either or both of you lose your ability for self-criticism and self-reflection. It is essential to keep in mind that even in idealism, moderation is required - in fact, it is the keyword to safeguarding this otherwise excellent number combination.

Partner A, your Personality is 9

Partner A, you have an impressive and aristocratic bearing. No matter how tall you are, you appear noble and upright. You are very much in control of the image you send out to others.

Many actors, dancers, and other performers have a 9 Personality Number. You are elegant, graceful, and charismatic. Many admire you.

You have the kind of stature that pulls people to you or repels them intensely. Some are jealous of you and may seek to belittle you. You may encourage this to some extent by the amount of arrogance you radiate. This is a caution for all 9 Personalities -- they are sometimes aloof and hold themselves above the world.

Your challenge is to come down to earth with your fellow man. Conversely, you have a great compassion for humanity and want to dedicate yourself to improving the lot of others. You are better when dealing with the trials of the many than the trouble of a single person. You are more capable of working on the grand scale, addressing the needs of society, than on a one-to-one basis.

Partner A, you are kind and sympathetic, helpful and compassionate. Behind the controlled and calm facade, you are sensitive, vulnerable and emotional. You

You tend to see yourself as a guardian of society, a benevolent leader, guiding and directing your community toward a better world.

Partner B, your Personality is 10/1

Partner B, you radiate with a dynamic and efficient energy. You appear controlled and capable. You value courage and effort in the face of difficulties and these qualities show. Others can sense that you will not be pushed around.

You should dress in a dignified and correct manner, caring for the details of your appearance. While you may spend most of your time in staid business dress or suits, bright and cheerful colors work well for you. You are fashionable, but have your own style.

Your appearance suffers more than most people when you are overweight. Overweight directly contradicts the type of personality you are trying to project. Straight lines and square corners accent your good physique and enhance your appearance as a leader.

Partner B, you are recognized as a pioneer; you have your own ideas of how to do things. You are a risk-taker, original and highly creative.

You should be wary of appearing too aggressive or unreceptive. You can intimidate people if you don't soften your exterior somewhat. By doing this, you will attract less confident people who will be more willing to approach you with their thoughts and suggestions.

Your Personality's compatibility is 9 and 1

Quickly recognized when two people first meet, not many relationships even get started unless the Personality numbers are compatible.

Partner A and Partner B, as you can see, the numbers that define the compatibility of your Personality are identical to those found in your Expression. Partner A, your Personal Year for 2015 is 9

This is your year to finish up all unfinished business, Partner A, to clean house and make room for new things. On a material level this is a good time to get rid of unnecessary weight, to give away or sell what you do not need anymore and to pay off old debts. On a spiritual level you will experience a different mode altogether.

Your attention should turn to others and their needs, find ways to be of help and give time and energy to worthwhile causes. You must lighten your burden of questions and doubts and the best way to do so is by directing your attention to another direction, away from yourself and you will find yourself becoming lighter and more in touch with yourself. This is a time of completion; problems can be solved and over with, strained relationships relax or disappear, the sources of stress in work or business can be better understood and dealt with. You will have more confidence and determination this year, particularly in comparison with last year, which was a time of letting go. This year represents a time of birth. It's a time to take charge and to apply yourself to your dream.

This is also a good time to make the personal changes you have long wanted to make: Start a diet and/or an exercise program, or begin a new course of study.

There may be some emotional turmoil, especially in the first two or three months. It takes a while to get the ball rolling. There are many changes you must make and much work to be done.

Be open-minded, organized, and focused. Avoid distractions and procrastination. Partner B, you are at a crossroads. You will need courage and a clear head to stay on the right track.

This is a year of opportunities. The key months in your year ahead are March, in which you are able to lay the foundation to your plans; April, in which changes take place such as a change of residence or career; July and August mark a time in which you will see the fruits of your labors begin to take place; October represents a major turn in events, often fraught with emotional turmoil; the fall marks a coalescing of your plans into more concrete form.

Your Personal Year's compatibility for 2015 is 9 and 1

Compatibility is as important with the cycles as it is with character traits. It is possible for a relationship between two people with otherwise very compatible charts to break down as a result of encountering one or more incompatible cycles. However, it is much easier to overcome or avoid possible pitfalls resulting from incompatible cycles than from incompatible personality traits.

Once every nine years, Partner B and Partner A, your relationship will go through a particularly difficult time, a time when only your commitment to your heart will be able to save your relationship. This is such a time.

You will experience turmoil, major disagreements, and arguments intense enough that they will make you feel that your partner is no longer the nice person you once knew. This is due to a shift in the cycles that causes an otherwise comfortable and compatible gap of one - in place for eight years - to suddenly multiply and, almost overnight, increase eight-fold for this one cycle. In addition, this is an emotionally vulnerable time for Partner A, exactly when Partner B is less sensitive than usual.

Numerology & Success Principles--Research | Consultation | Teaching

There are few, if any, combinations of cycles as difficult and challenging as this one, but with some conscious effort and a dedication to your heart, the relationship will survive and, because of it, become stronger.

For Partner B, the most important piece of advice is to give Partner A plenty of attention, be very sensitive to mood swings, and provide support, even if you feel that Partner A is overly emotional. For Partner A, the best advice is not to take emotions too seriously. As you have read in the description of your nine-year cycle, you are going through a lot of changes, which require of surrender and acceptance, giving rise to a tendency to get melodramatic and emotional.

Only your hearts can save the day. So, don't listen to your minds. No matter how much sense the mind seems to make, it doesn't have anywhere near the understanding that the heart carries.

Partner A, your Personal Year for 2016 is 1

Be ready for major changes. Partner A, you will be inspired to start new projects or enterprises. You will feel a strong forward push toward new goals. This is a time for vision and planning. Share your dream with others; make plans, get the necessary support, but, above all, rely on yourself as the driving force. Be decisive!

Your Personal Year's compatibility for 2016 is 1 and 2

Partner A, you are entering a period of renewal that brings in new energy as well as a change of direction in your personal life and in your career. You feel motivated and aggressive, perhaps even impatient – nothing moves fast enough for you. Partner B, on the other hand, is slowing down somewhat, more concerned about looking for ways to improve relationships with other people. For Partner B , this is a time of networking, finding resources, and aligning with others, a time during which emotions and feelings are more important than usual, and Partner B may well be a bit more vulnerable in that respect.

These cycles are compatible in most ways and they support each other. Partner A will be the engine of change and progress, while Partner B will steer and redirect. However, Partner A will have to be sensitive and careful and not expect Partner B to be as motivated and driven. In turn, Partner B needs to avoid making mountains out of molehills or letting emotions get the better of common sense. Partner A may also have to accept the fact that Partner B is a bit more demanding than usual.

February brings changes; June sees the completion of a project and July signals a new beginning. August can be emotional, as can November.

Your Personal Year's compatibility for 2017 is 2 and 3

Partner A is experiencing a time when emotions are felt stronger than usual and with more impact. It is as if a protective layer has been stripped, leaving Partner A more vulnerable than usual. At the same time, Partner B is experiencing a time of inspiration, enthusiasm, and creativity; a light-hearted time when emotions tend to have less impact than they usually do. Partner B feels quite confident and won't dwell on emotions as much as during other times. Partner A, however, feels them strongly. Often, this translates to mood swings and moments of emotional insecurity and confusion on Partner A's part, contrary to Partner B who is less sensitive and intuitive. The result can be confusion and misunderstandings. Partner B doesn't understand why Partner A is getting so upset about some minor argument, while Partner A wonders why Partner B seems so unattached and distracted, almost as if Partner A's feelings don't matter. This is a time, Partner B, to pay close attention to Partner A and the relationship you have together. For Partner A, it is important not to dwell on emotions. Feelings of neglect are unwarranted, and if Partner B seems a bit caught up in other things,
